Creativity & Beauty To Take On The World

The art of beautiful photoshoots is staying alive and thriving thanks to Stars teaming up with ManyVids to produce luscious photosets. And our Star this time is Misha Cross—a creator whose talent knows no boundaries and who was born to be in front of the camera. And the MV Team was pumped to meet up with this incredible Polish Star, who's becoming famous the world over, during our awesome trip to Paris. In France, we got the pleasure of shooting Misha for MV Close Up and now you get the pleasure of checking out her stunning pics. This performer and director is an adult filmmaker with both beauty and creativity to offer.
